The Oakwood Community Center's online registration program, MyRec! allows residents to set up their own household profiles, register and pay for classes, renew memberships, track their activities, search online through all of the current offerings and much more. Please go to oakwoodoh.myrec.com and click on the Create New Account link to open your account and gain easier access to program registration. Be sure to then add all the members of your household into the account. Don't forget to enter your cell number with the carrier so we can text you with any last-minute program or event changes. Your new household account will provide you with registration history, financial history and will make registering for a program or renewing a membership easy as online shopping! You are now able to register completely online or you can preregister, print off the registration form and mail it to the OCC with a check. *Please note: a preregistration enrollment does not secure a spot in the class or renew your membership until payment is received.*

The OCC staff is available to help you if needed and if you have any questions while setting up your profile, please call 937-298-0775.
